VALVTECT™
Winterizing Protection!

THE BOATING INDUSTRY’S BEST WINTERIZING ADDITIVES ARE ALSO ITS BEST VALUES.

Now Buy Direct and $ave!
Plus, FREE Floor Display with any 5 case order!

Only ValvTect™ Offers...
- Advanced Winterizing Protection
- Lower Treat Cost Than The Competition
- Full Strength - No “Double Treat” Required!
- Sure Starting and Improved Power & Performance In The Spring

ValvTect™ Marine Gasoline Additive and BioGuard™ Plus 6 Deliver Superior Winterizing Protection!

More boaters trust ValvTect™ brand fuel additives to maintain and protect their engines and fuel systems from costly cold weather damage during periods of prolonged storage than any other additive brand. ValvTect’s advanced formulations meet or exceed all major engine manufacturer requirements and save money by coming full strength with no need to “double treat” to get advertised results.

(800) 728-8258
Gasoline Additive Products

**ValvTect™ Marine Gasoline Additive**
- In season high performance and winterization protection in one bottle.
- Contains friction modifier for superior performance
- Stabilizes fuel for up to 2 years
- Maximizes fuel economy
- Controls moisture
- Provides improved corrosion protection
- Helps prevent ethanol related problems
- 4 oz. Treats 40 Gal.
- 16 oz. Treats 160 Gal.
- 32 oz. Treats 320 Gal.
- VMGAF04, VMGAF16, VMGAF32

**ValvTect™ Marine Motor De-Carb**
The most effective product for removing stubborn carbon deposits.
- Quickly removes carbon, gum & varnish
- Frees sticky rings
- Restores power & performance
- Reduces fuel consumption
- Prevents powerhead failure
- Easy use spray treatment
- 13 oz, one can treatment
- VMTS13LV

FREE Floor Display Unit With Any 5 Case Order!

Diesel Additive Products

**Diesel Guard™ Anti-Gel Deicer**
Concentrated formula greatly improves cold weather operability.
- Helps eliminate gelling and icing
- Cleans-up all injector deposits including internal deposits in HPOR systems
- Contains non-alcohol jet fuel deicer
- Cetane improver helps cold starting
- Formulated with detergent & water dispersant
- Lubricates pumps & injectors
- Works in all types of diesel fuel
- 32 oz. Treats 250 Gal.
- DGAWS32

**Diesel Guard™ Supreme Plus High Performance Diesel Treatment**
Specially formulated for high performance diesels.
- Cleans-up all injector deposits including internal deposits in HPOR systems
- Stabilizes fuel up to 2 years or longer
- Disperses water
- Prevents sludge & filter plugging
- Extends fuel filter life
- Raises cetane up to 3 numbers
- Reduces smoke and soot
- Improves power & fuel economy
- Cleans, lubricates and extends the life of injectors and pumps
- 32 oz. Treats 250 Gal.
- DFMSS32

**BioGuard™ Plus 6 Microbiocide**
Now one product does it all by preventing bacteria plus...
- Stabilizes fuel up to 2 years
- Prevents rust and corrosion
- Lubricates pumps and injectors
- Cleans-up injector deposits
- Disperses moisture
- Increases cetane for better cold starts
- 32 oz. Treats 375 Gal.
- 1 Gal. Treats 1,500 Gal.
- BGDPS32, BDGPG01

**BioGuard™ ULS Microbiocide**
effective in all diesels, including ultra-low sulfur and biodiesel.
- Kills bacteria up to 90% faster than other biocides
- Breaks-up bacteria caused slime
- Prevents fuel line & filter plugging
- Prevents bacteria caused corrosion sludge & slime
- 16 oz. Treats up to 920 Gal.
- 32 oz. Treats up to 1,840 Gal.
- BGDULS16, BDGULS32
